

REMARKS

This amendment is responsive to the communication dated February 17, 2004 alleging that the previously filed amendment failed to list all claims. Applicants respectfully regret any inconvenience caused by their inadvertent error. By this amendment, Applicants have canceled claims 1-36, 39, 41-45 without prejudice. Claims 1-36 were originally presented in the application and were canceled by a preliminary amendment.

The present amendment re-presents that previous amendment together with listing of the canceled claims. It is believed that the above amendment is sufficient to place this application in a condition for allowance and a notice to that effect is earnestly solicited.

Any fees that may be due in connection with the filing of this paper of application may be charged to Deposit Account No. 13-2755.

If the Examiner believes that a telephone conference would be of value, he is requested to call the undersigned counsel at the number listed below.

Respectfully submitted,
